To Whom It May Concern:

Our school, Achiever Christian School, is hosting two upcoming events this fall. One of them is our annual Jog-a-thon on Friday, September 27th. The purpose of this event is to raise money to update the security systems on our campus. We typically have businesses sponsor the event and in exchange, display their logos on our event t-shirts, flyers, and school website.

The other event is our annual Fall Family Blast, which is a Halloween extravaganza that hosts our school families and members of the community. Last year, we had about 1500 attendees for this event, and partnered with quite a few businesses as vendors and sponsors. This year, we anticipate hosting at least 2000 people from the Silicon Valley area and would love to invite even more businesses to partner with us.

If you would like to support our school and help us further our purpose of community, then we'd love to show you how you can be a part of these huge events.

Here are some ways businesses can partner with Achiever to contribute to the success of our Jog-a-thon and Fall Family Blast:

- Consider making a monetary donation of any amount. As a nonprofit organization, a donation to our school is a tax write-off.
- Consider making item donations of any of the following: raffle items, vouchers, coupons, giveaways, etc.

In appreciation of your donation, we will display any business logos or small advertisements you may have, and let our families and neighbors know that you are a school sponsor. These logos will be on display for the entire school year. Achiever Christian School is a nonprofit organization with tax ID# 94-1186198.

Thank you for your consideration in making a contribution to our school.

Sincerely,

Caitlyn Fonda  
Events Coordinator
